INFORMATION DISCLOSURE STATEMENT WITH CERTIFICATE OF MAILING ON
LAST PAGE

Dear Sir:

- 1) Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98 applicants enclose a Form PTO-1449, a copy of reference AV listed thereon, a copy of a Chinese Office Action, and an English translation of the Chinese Office Action issued in a counterpart Chinese application on April 2, 2004.
- 2) In view of the waiver of the requirement (see 1273 OG 55, August 5, 2003), we are not enclosing a copy of the cited U. S. Patents (References AT and AU).
- 3) This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, based on a Status call to the USPTO today.
- 4) The undersigned attorney hereby certifies that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement, as seen from the Chinese Office Action date of April 2, 2004.

- 5) References AT and AU are in English. Reference AV corresponds to AU from which the relevance can be determined in English. Therefore, no discussion of the references is required.
- 6) Furthermore, the enclosed English translation of the Chinese Office Action shows why the Chinese Examiner found the cited references to be relevant. The Chinese Examiner's remarks are not ratified or adopted as accurate, but are submitted for the U. S. Examiner's consideration as to the relevance of the references.
- 7) Applicants respectfully request that the Examiner consider all references of record, return an initialled copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.

Respectfully submitted,

Hirokazu KUGAI et al.
